### 252.217-7004 Job orders and compensation.

As prescribed in 217.7104(a), use the following clause:

#### JOB ORDERS AND COMPENSATION (DEC 1991)

(a) The Contracting Officer shall solicit bids or proposals and make award of job orders in accordance with FAR part 14 or 15, as applicable. The issuance of a job order signed by the Contracting Officer constitutes award. The job order shall incorporate the terms and conditions of the Master Agreement.

(b) Whenever the Contracting Officer determines that a vessel, its cargo or stores, would be endangered by delay, or whenever the Contracting Officer determines that military necessity requires that immediate work on a vessel is necessary, the Contracting Officer may issue a written order to perform that work and the Contractor hereby agrees to comply with that order and to perform work on such vessel within its capabilities.

(1) As soon as practicable after the issuance of the order, the Contracting Officer and the Contractor shall negotiate a price for the work and the Contracting Officer shall issue a job order covering the work.

(2) The Contractor shall, upon request, furnish the Contracting Officer with a breakdown of costs incurred by the Contractor and an estimate of costs expected to be incurred in the performance of the work. The Contractor shall maintain, and make available for inspection by the Contracting Officer or the Contracting Officer's representative, records supporting the cost of performing the work.

(3) Failure of the parties to agree upon the price of the work shall constitute a dispute within the meaning of the Disputes clause of the Master Agreement. In the meantime, the Contractor shall diligently proceed to perform the work ordered.

(c)(1) If the nature of any repairs is such that their extent and probable cost cannot be ascertained readily, the Contracting Officer may issue a job order (on a sealed bid or negotiated basis) to determine the nature and extent of required repairs.

(2) Upon determination by the Contracting Officer of what work is necessary, the Contractor, if requested by the Contracting Officer, shall negotiate prices for performance of that work. The prices agreed upon shall be set forth in a modification of the job order.

(3) Failure of the parties to agree upon the price shall constitute a dispute under the Disputes clause. In the meantime, the Contractor shall diligently proceed to perform the work ordered.

(End of clause)

#### INSPECTION AND MANNER OF DOING WORK (JAN 1997)

(a) The Contractor shall perform work in accordance with the job order, any drawings and specifications made a part of the job order, and any change or modification issued under the Changes clause of the Master Agreement.

(b)(1) Except as provided in paragraph (b)(2) of this clause, and unless otherwise specifically provided in the job order, all operational practices of the Contractor and all workmanship, material, equipment, and articles used in the performance of work under the Master Agreement shall be in accordance with the best commercial marine practices and the rules and requirements of the American Bureau of Shipping, the U.S. Coast Guard, and the Institute of Electrical and Electronic Engineers, in effect at the time of Contractor's submission of bid (or acceptance of the job order, if negotiated).

(2) When Navy specifications are specified in the job order, the Contractor shall follow Navy standards of material and workmanship. The solicitation shall prescribe the Navy standard whenever applicable.

(c) The Government may inspect and test all material and workmanship at any time during the Contractor's performance of the work.

(1) If, prior to delivery, the Government finds any material or workmanship is defective or not in accordance with the job order, in addition to its rights under the Guarantees clause of the Master Agreement, the Government may reject the defective or nonconforming material or workmanship and require the Contractor to correct or replace it at the Contractor's expense.

(2) If the Contractor fails to proceed promptly with the replacement or correction of the material or workmanship, the Government may replace or correct the defective or nonconforming material or workmanship and charge the Contractor the excess costs incurred.
